

B.Com (Honours) Accounting

B.Com (Honours) Accounting course at **XUB** has been designed in collaboration with the **Association of Certified Chartered Accountants (ACCA)**, UK, and **International Skill Development Corporation (ISDC)**, UK.

This program gives the students a unique opportunity to pursue ACCA qualification in tandem with their 3 years undergraduate course.

ACCA (Association of Chartered Certified Accountants) is a global body for professional accountants. ACCA has presence in over 180 countries. The B.Com Professional course is challenging and yet very rewarding to students with high career aspirations. The core subjects will be taught by experienced professionals from the industry as well as the profession, specialized in a relevant field.

Course Objectives

- To develop professional knowledge and skills in international Accounting, Finance, Auditing, Taxation, Risk Management etc. by adopting learner centered pedagogical practices.
- To provide business-relevant, first-choice qualifications to people of application, ability and ambition around the world who seek a rewarding career in accountancy, finance and management.
- The course has unparalleled focus on inculcating ethics, integrity and corporate values.
- The concepts are pragmatic in nature and the pedagogy aims at producing an outstanding and exemplary individual, in a personal and a professional way.
